RE: EASEMENT AGREEMENT NO. 191

Dear Harold:

Enclosed, please find your copy of the above-referenced agreement. We will retain the other original in our files.

We discussed the completion of the remaining small amount of reclamation work in Sec. 36, T15S, R11E, SLBM. You indicated that you would like to have the easement agreement completed and you suggested that we have Division of Oil, Gas, & Mining (DOGM) continue to hold the \$3,700.00 surety bond (Reliance Insurance Co.) as security until the reclamation work is completed. As we agreed, I have informed DOGM not to release the surety bond until we have verified that the remaining small portion of the reclamation on State land is also completed.

Sincerely,

Gary D. Bagley
Land Specialist
